## K100 Fuel Treatment

Are for ALL gasoline and diesel powered equipment and are formulated for use with all fuels including E-10, ULSD, Off-Road, Bio-Diesel and Home-Heating Fuels.

## What is K100 Fuel Treatment?

K100 Fuel Treatments are proprietary formulations of complex engineered organic compounds developed to eliminate water in fuels, remove gums and varnishes and stabilize fuel, add lubricity and corrosion protection and boost cetane/octane ratings. Its ALL- IN ONE unique Chemistry is all you will need to keep your engines running right

## Benefits of Using K100 Fuel Treatment

- Prevents Phase Separation in Ethanol Blended Gasoline
- Eliminates water and all water related problems
- Stabilizes fuel for up to two years, and keeps it fresh
- Increases Octane/Cetane ratings 1 1/2 to 2 points
- Replaces lost lubricity in LSD, ULSD and K-1 winter blends
- Cleans engines and fuel systems for better mileage, easier starts, smoother idle, more power and better acceleration
- Reduces black smoke, unburned hydrocarbons, CO and particulate emissions
- Reduces maintenance costs and down time and extends engine life

## Gasoline Treatment

8 oz  
Quarts  
5 Gallons

## Diesel Treatment

8 oz  
Quarts

## Engine Additives

A pure petroleum multi-use oil supplement. Controls noise, heat and wear in manual transmissions and differentials. Number one in the heavy duty and high performance industries

**LUK-10001 Heavy Duty Oil Stabilizer Qt**  
**LUK-10130 Pure Synthetic Oil Stabilizer Qt**

## Fuel Additives

Lucas Fuel Treatment is formulated for both gasoline and diesel engines, carbureted or fuel injected. It gives your fuel system what it really needs - a blend of super slick oils and additives with a high detergent action that allows the engine to operate at maximum efficiency. Also, it cleans and lubricates the carburetor and injectors and causes the fuel to burn more thoroughly for increased power and less fuel consumption. Lucas Fuel Treatment should definitely be used in vehicles that require leaded fuel because it actually replaces the benefits of lead in gasoline without causing harmful emissions. .

**LUK-10003 Fuel Injector Cleaner/cyl lube Qt**  
**LUK-10576 Ethanol Fuel Treatment**

## Trans. / PS Additives

Lucas Transmission Fix is a non-solvent formula that stops slip, hesitation and rough shifting in worn transmissions and completely eliminates most seal leaks. Use in any transmission for preventative maintenance. Use also in light duty manual transmissions to increase shifting ease and transmission life.

Lucas P/S Stop Leak is GUARANTEED to stop seal leaks in power steering units . Totally corrects rack and pinion problems. It is also totally effective in reducing slack, squeals and hard spots in worn rack and pinions.

**LUK-10008 Power Steering Stop Leak 12 Oz**  
**LUK-10011 Power Steering Stop Leak Qt**  
**LUK-10009 Transmission Fix 24 Oz**
